SUPERINTENDENT TO HOST TOWN HALL FORUM

Public Invited to Discuss Topics of Interest in Capistrano Unified School District

SAN JUAN CAPISTRANO — Parents and community members are invited to participate in a “Conversation with the Superintendent” of the Capistrano Unified School District (CUSD) on Monday, January 25, 2016, from 7 p.m. to 8 p.m. at the CUSD Education Center in San Juan Capistrano.

Parents and community members are invited to join the conversation as Superintendent Kirsten Vital answers questions and discusses the District’s Multi-Tiered System of Supports (MTSS) plan, and provides an update on CUSD’s counselors and the impact they are having in helping our students achieve school and life success. Counselors are available in grades K-12 and are located at all school-sites.

The goal of MTSS is for all students to be college and career ready. In order to ensure students who are at-risk are ready, MTSS was developed to provide a systematic approach for identifying at-risk students through universal screening. Interventions are in place to meet the needs of academic, social-emotional, and behaviorally at-risk students.
