MEDIA ADVISORY:

TOMORROW NIGHT

Capistrano Unified School District Superintendent to Host Community Forum

SAN JUAN CAPISTRANO-- A community forum with Capistrano Unified School District Superintendent Kirsten Vital is set for **Tuesday, March 14 at 7:00 p.m.** The Superintendent’s forum will give parents an overview of the State of California’s new accountability and improvement system which will be released to the public in March. The California School Dashboard will be published online and will include data on state and local indicators such as chronic absenteeism, graduation rates, English learner progress, student achievement, parental involvement, and much more. Ultimately, the dashboard will be utilized to measure a district’s progress as well as areas for improvement. During the community forum, District staff will share local indicators and priorities, and the Superintendent will welcome feedback and field questions from those in attendance.
